

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

TO: CHINESE AMERICAN PROFESSORS AND PROFESSIONALS

It is my pleasure to recognize China Day in PA, in conjunction with Asian American Pacific Islander Heritage Month in 2018.

The commonwealth is comprised of vibrant and diverse communities that offer a wealth of cultural knowledge about the world and its people. Chinese Americans are an integral part of Pennsylvania and they have generously shared their rich history, heritage, and time-honored traditions. I commend all the performers and organizations who are gathered here today to share their art with us for their dedication to enriching the commonwealth. As we celebrate this festive season, Asian American communities should feel an immense sense of pride and accomplishment when reflecting upon their service and contributions.

As Governor, and behalf of all citizens of the Commonwealth of Pennsylvania, I extend my best wishes as you celebrate China Day in PA. Please accept my best wishes for a great performance and continued success.
